@KarynTeaches Good, so glad it's Friday. #D5chat

10-Dec-11 01:11 | maxxakahotdog

#d5chat is it true to say CaFE boards look different for dif grade levels, due to some strategies being more developmentally appropriate?

10-Dec-11 01:11 | brettelockyer

@maxxakahotdog That's one strategy I've been referencing a LOT lately when I'm conferring! Many can't remember what they just read. #d5chat

10-Dec-11 01:11 | Komos72

@maxxakahotdog Most are doing really well with their strategies and can talk about how they are using many while they read #D5chat

10-Dec-11 01:12 | soingirl

I have some who have trouble reading with expression #d5chat

10-Dec-11 01:12 | valrucket

10-Dec-11 01:18 | ncarroll24

Do you think students actually practise the strategies when reading alone? Sometimes I wonder. #d5chat

10-Dec-11 01:18 | KathrynTrask

@brettelockyer i have not had mine connect with the board & our board is lacking strategies listed. need to remedy this! #d5chat

10-Dec-11 01:18 | KarynTeaches

@Komos72 I was planning to start poetry before break. I may wait until after we return. #d5chat

RT @brettelockyer: @KathrynTrask #d5chat Does any reader consciously practise the strategies? But CAFE does give tchr n student language to reflect AFTER rdg

10-Dec-11 01:30 | ncarroll24

@valruckes Ooh I like the rocking chair bit! #d5chat

10-Dec-11 01:30 | KathrynTrask

@brettelockyer I think having that common language (in reading/writing) really focuses the Ss and teacher. #d5chat

10-Dec-11 01:31 | ncarroll24

@soingirl I've been doing lots of review, too. It really helps my kids internalize the strategy, especially when I think aloud. #d5chat

10-Dec-11 01:31 | Komos72

@Komos72 can you share how you are getting to those students & seeing guided reading groups #d5chat

10-Dec-11 01:31 | KarynTeaches

10-Dec-11 01:31 | ncarroll24

@Komos72 do you do guided reading, too? #d5chat

10-Dec-11 01:32 | slfirstgrade

#d5chat I believe that the CAFE menu strategies aren't items to tick off as 'done'. For me, more important for Ss to have a say in choice

10-Dec-11 01:32 | brettelockyer

I think there are times when just learning a strategy it is conscious, but once mastered just falls into your unconscious use. #d5chat

10-Dec-11 01:32 | KathrynTrask

@Komos72 Love the word collector for Tune into Interesting words. Trying to get Ss to use them in their writing. #d5chat

how can i help my students better articulate who they are as readers? does that come from over time with my "I notice..." statements #d5chat

10-Dec-11 01:33 | KarynTeaches

@KarynTeaches @slfirstgrade I feel I'm meeting their needs better when conferring, rather than pulling group solely based on level. #d5chat

10-Dec-11 01:34 | ncarroll24

@valruckes @KarynTeaches My students put it up on the wall. They check the CAFE if falls into and then they know where to find it #d5chat

10-Dec-11 01:34 | heymilly

@KarynTeaches LOL! Plus I was getting back into my old rut/routine when trying to do both. Switched to just conferring for now. #d5chat

10-Dec-11 01:36 | Komos72

@Komos72 i'm just conferring at least until winter break. we'll see when we return from break. #d5chat

10-Dec-11 01:36 | KarynTeaches

@soingirl #d5chat Yep, the articulation is the moment! Esp if Ss reflect regularly n naturally, n not just say what tchr wants them to say.
